RE: House Bill 2142 and Senate Bill 2115

Rep. Howell:

I am a concerned voter and taxpayer in Polk County TN. I am asking that you support HB 2142/SB 2115 which would take \$100,000,000.00 excess state tax revenue over collected in 2014-2015 and transfer a portion of that to each of the 95 county road departments. This would provide much needed funds to our Polk Co. Road Department for projects.

Again, I am asking that you support HB 2142/SB 2115.

Sincerely,
